

"Rock Me, Don't Shake Me" Musicians Against Child Abuse

Saturday April 21, 2012

Breakaway II Sports Lounge: Hagerstown, MD

This year, the families of Justice Myers, Bella Appel, and Logan Sellers, together with the Breakaway II Sports Lounge and Maxed Out Entertainment will host a benefit concert with the proceeds supporting Safe Place in Hagerstown, MD and Safe Haven of Martinsburg, WV. Both centers provide services to victims of child abuse and their families, including preventative services, medical care, counseling, support, investigation of abuse cases, and prosecution. These organizations are doing all they can to help children and families in the Tri-State area, and they need our help!

The Rock Me, Don't Shake Me event will be Saturday evening, April 21, 2012 and will feature performances by 4LeafLoser and DriftPlan. Child Abuse Prevention information will be available, as well as door prizes and raffles.
